## CONTRATACION DE PROFESORADO DE ESPAÑOL EN FRANCIA

La administración educativa francesa está dividida en entidades territoriales denominadas Académies que gestionan, entre otros asuntos, la contratación de personal docente. En algunas de ellas se pide que el candidato mande una serie de documentos (CV, carta de motivación, títulos, etc.) a una determinada dirección postal o un email de contacto; en otras, sin embargo, se solicita que el candidato se dé de alta en una aplicación gestionada por la propia Académie en la que se le solicitarán los datos necesarios.

Información general sobre las Académies en Francia: <http://www.education.gouv.fr/cid3/les-rectorats-services-departementaux-education-nationale.html>

## 👉 ISLANDIA:

[www.eures.is](http://www.eures.is)

## 👉 NORUEGA:

### Desarrolladores de software (inglés) Oslo, NORWAY

You will work in the full stack product team to create optimal experiences for our customers, agencies and publishers. You will utilise a variety of backend technologies to make sure: Our customers ad campaigns match the right articles (Solr). Data points for customer entities such as campaign performance, budget pacing and balance are processed correctly (Java). We have the right data model to support this (SQL). You'll take part in decisions related to new development projects and software portfolio life cycle. You'll do project scoping and requirement specification with the rest of the team. You'll challenge our status quo, drive innovation and apply agile best practices (we know we have a way to go). You are an experienced Java developer and expert in backend technologies. Knowledge of other languages like Python, Perl or JavaScript is a real plus. It is natural for you to work with debugging tools and testing frameworks such as JUnit and Mockito. <http://bit.ly/2wQj4aB>
